Dear Family,

Thank you for giving a chance to exchange students. I hope you will have a good experience. Let me tell you more about my interesting life.

My name is Vasia and I am fifteen years old. I have a not big family and I live in Russia with my father and stepmother. My father is very interesting person. He organizes events, music concerts and festivals. He has his own company. I like to spent my free time with him. We often walk in parks, play table tennis and I always win. My stepmother Natalia is a good friend. She always helps me with my problems at school. We watch films together and talking about the meaning of life. She is a very sweet person. When she was in a high school, she went to the U.S. as an exchange student. Natalia had a very good experience that influenced her life. She told her story and I decided to try to have this experience as well.

I want to know more about America and American people, study your culture and values. I think it will help me to communicate with people from different countries better. I have got a lot of friends and I like hanging out with them. We love to play board games, PlayStation or we can just talk heart to heart. Also, fashion is on my list of interests. I follow the trends in modern fashion. My favorite style is streetwear. I enjoy watching and playing sports, specially soccer. I try to play soccer as much as I can with my ... **(read the full letter online)**
